PRESENTER: Vicki Thorn, Founder and Director
Project Rachel
National Office of Post Abortion Reconciliation and Healing

Project Rachel was established to reach out with love and compassion to those hurting from an abortion experience. Project Rachel offers the opportunity to receive emotional and spiritual healing through sensitive, private, and confidential counseling, reconciliation and prayer by specially trained clergy and professional counselors. Project Rachel is open to anyone in need, regardless of their faith background.

This program meets the criteria of an approved continuing education program for mental health practice.
